Petition dt 11/4/33 from Mrs. C. Bala Raj Urs another Inamdar of Kadakola and other villages praying for reasons set forth therein that Government may be pleased to continue Inam tenure of all the four villages viz Kodakola, Bathahalli, Sindhuvalli, & Dasadahalli and grant them as personal Inam also fixing a reasonable quit-rent.

Kind reference is invited to Memo 2 & 3 dt 6-9 No 9 36-9/Miscl 403-26-11 dt 16/11/32 thereon. The Inam villages of Kodakola, Sindhuvalli, Dasadahalli & Bellahalli were given for running the Annachatram at Kodakola. As the object of grant gradually ceased to be fulfilled, the necessity for the resumption of the Dharma Raja Inams arose. In the meantime the Inamdars began to contend that they held a personal right over the Inam villages. It is by way of these concessions lands assessed at about Rs 2500/- are allowed to the family of the late Venkatappa Bala Raj Urs as personal Inam subject to conditions specified therein. In these circumstances the petitioners for continuing the

With reference to Government Proceedings No. 936-38 Muzrai-405-26-11 dated 15/16th December 38 directing that lands assessed at about Rs.2500/- may be given to the family of late Sarvadhikari Balaraj Urs as personal inam from two out of the four Inam Villages noted in the margin, and the rest of the lands being resumed to Government cancelling the inam tenure, - we beg to express our heart-felt gratitude to the Government of His Highness the Maharaja for having dealt with our case sympathetically. We may however be permitted to bring ~~for~~ their kind notice certain disadvantages to which we will be subjected to by this order.

1. Kadalkote.
2. Byatharally.
3. Sandrumally.
4. Dadalapalley.

It has been directed in the aforesaid order that two of the four Inam Villages which are now in our possession and enjoyment should be resumed to Government after cancelling the Inam tenure. These villages are in the possession of the family for over

a century-i.e., ever since the grant was made in During this period the family and the Inam Villages are associated closely with each other and we therefore feel that this association should be kept up in future also. The fact that the family is Inamdar of all these villages has contributed largely to the prestige of its members and the resumption of two villages from them by the Government, will tend to lower their prestige and dignity in the eye of the general public and also to compromise their position to some extent.

All the four villages are adjacent to one another and it is certain that the resumption of two villages will adversely affect the collection work of the other two villages which the Government have graciously decided to continue as Sarva Inam personal to the family.

3. For the reasons narrated above, we humbly beg to make a suggestion which if agreed to by the Government while not involving Government in any loss financially, will relieve us from the disadvantages referred to in para Our representation is that instead of resuming to Government two out of four villages, all of them might be continued on the Inam tenure and

left in our possession and ownership recovering from us annually a quit-rent which may be fixed having regard to the concession shown to us in the order of the Government and also the potgi payable to the village officers. We would not have pressed for the grant of this request which does in any way benefit us financially but for the fact that the four villages are near one another and the decision of Government to resume two of them is sure to adversely effect us in various ways.

4. We therefore pray that taking a favourable view of our representation, the Government may be pleased to continue Inam tenure of all the four villages and grant them as personal Inam after fixing a reasonable quit-rent.

We beg to remain,

Sir,

Your most obedient Servants,

(Mrs) L. Bala Raj wrs
